

Most insurance agents don't
know the difference between roll off, front
load, side load and rear load trucks . . .

However, we do.

SUSTAINABLE
WASTE PROGRAM

The Sustainable Waste Program

is not a sideline for Southeastern Agency Group. We specialize in building insurance programs for specific target industries. We have teamed up with the best insurance companies available to design the Sustainable Waste Program to meet the specific needs of your company. Chances are we save you hard-earned premium dollars in the process!

Program Benefits:

- ✓ Flexible Pay Program
- ✓ Same-day Certificate Service
- ✓ Designated Customer Representative
- ✓ Higher Experience Mods acceptable
- ✓ Proactive Loss Control Program

We Insure:

- ✓ Residential, Commercial & Industrial Solid Waste Collection
- ✓ Material Recovery Facilities
- ✓ Scrap Metal Dealers
- ✓ Recycling Operations & Collections
- ✓ Portable Restroom Rental & Service
- ✓ Cesspool & Septic Tank Cleaning & Service
- ✓ C&D Recycling & Landfill
- ✓ Document Shredders

Our program is built specifically for your industry ... can your current agency say that?

If you have ever dealt with:

- ✓ Bad audits
- ✓ Terrible claims handling
- ✓ Large increases on your renewal
- ✓ Claims that were not covered that you thought should be

Then we need to talk.

Wouldn't it be refreshing to work with an industry expert who understands the needs of the waste and recycling industry?

SAG CONNECT

Our Online Portal, SAG CONNECT is a customized online website that combines efficiency with user-friendly tools. Through the site, clients can participate in industry surveys, communicate with industry peers and receive and download industry-related articles, employee safety communications and loss control resources direct from our agency.
