

The heavy construction industry can be risky...

But choosing your insurance provider doesn't have to be.

PREMIER
HEAVY CONSTRUCTION PROGRAM

Administered by

SOUTHEASTERN AGENCY GROUP

Insurance Since 1902

Specialized Insurance

At Southeastern Agency Group we specialize in building insurance programs for specific target industries. The Heavy Construction Industry poses some very difficult challenges from a liability and property standpoint. **We cover heavy construction contractors including grading & excavating, water & sewer, oil & gas, street & road, bridge builders and everything in between.** Our program confronts these risk exposure head-on and responds to them with insight and experience that is likely to save you hard-earned premium dollars along the way.

Complete Coverage

We work with A-rated carriers with the ability to create a customized insurance plan that will fit your budget and more importantly your specific needs. Coverages include but are not limited to:

- ☑ Workers Compensation
- ☑ General Liability
- ☑ Business Automobile
- ☑ Heavy Equipment
- ☑ Property
- ☑ Umbrella limits up to \$25 million
- ☑ Blasting Coverage
- ☑ Down the Hole Coverage
- ☑ Work site Pollution

Total Package

At Southeastern Agency Group, we strive to be the premier provider of Heavy Construction insurance. We value quality of service, integrity and commitment over all. In addition to complete coverage we offer benefits such as; **pay-as-you-go workers comp, same-day certificate program, designated customer service reps, tailored safety program.**

We also provide our customers unlimited access to our **Online Safety Portal** at no additional cost.

SAG CONNECT

Our Online Portal, SAG CONNECT is a customized online website that combines efficiency with user-friendly tools. Through the site, clients can participate in industry surveys, communicate with industry peers and receive and download industry-related articles, employee safety communications and loss control resources direct from our agency.
